## The Grapevine

Mt. Zion United Methodist Church

*"I am the vine, you are the branches  
Those who abide in me and I in them bear much fruit."  
John 15:5*

The Lenten season has arrived and has begun with a flurry of activity. It started with our annual Ash Wednesday service as we jointly worshipped with Bethel and Central United Methodist Churches. Rev. Calvin Smith shared a wonderful message, and our choir sang a beautiful anthem. The sixty nine people in attendance were a record for this service.

On February 20 we began a mid-week worship service that will meet every Wednesday night at 6:00 p.m., leading up to Easter Sunday. The service is a time of intercessory prayer, Bible study, hymn singing, special music and testimonials. The Bible study is focusing on The Radical Sayings of Jesus, like "do not worry" and "love your enemies."

I am personally marking this Lenten season in a completely different way. After years of giving up things for Lent (sodas, sweets, etc.), I have decided to take up a habit I trust will be beneficial for me and I hope for others. During Lent, every time I look at my watch to check the time, I have decided to say a prayer for someone. You would not believe how many times a day I check the time!

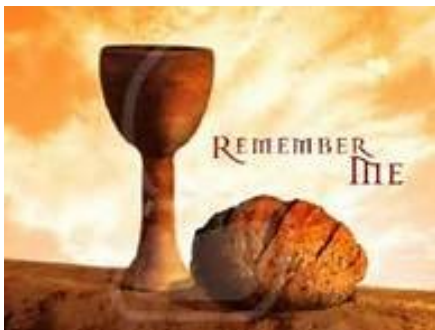

The Lenten season is a time of preparation and reflection, a time to seriously consider what it means to be a follower of Jesus Christ. I hope you are using this season to do the same. And remember, the next time you see me checking my watch, I might be praying for you.

In Christ,

*Kurt*

### ***From Passover to Communion***

The sacrament called Communion is a Christian celebration that was instituted by Jesus at the Last Supper, which was a Passover meal. The Passover meal is very important in the Jewish faith. It is a meal of remembrance of how the Hebrew people were taken from slavery in Egypt to a place of their own in what was called the "Promised Land". (Exodus 12:1-30)

When Jesus and the disciples met in the upper room for the Passover meal, Jesus knew that

things were coming to a head and this would be his last Passover meal with his disciples. Jesus uses the bread and the cup of wine to represent his body and his blood as a sacrifice for the sins of all. This was the institution of Communion. When we celebrate this sacrament, we remember that Christ died for us so that we would be freed from sin. No more sacrifices are needed, only true repentance and the acceptance of God's grace.
